Archer Named Exclusive Air Taxi Partner For The Los Angeles Sports & Entertainment Commission, Will Serve As Official Los Angeles World Cup 2026 Host City Supporter And Official Partner For The Super Bowl LXI Host Committee

Los Angeles, CA – October 22, 2025 – The Los Angeles Sports & Entertainment Commission (LASEC) today announced Archer (NYSE: ACHR) as its exclusive Air Taxi Partner. As part of this designation, Archer will serve as an Official Los Angeles World Cup 2026 Host City Supporter and an Official Super Bowl LXI Host Committee Partner.

This partnership actively expands Archer's presence in Los Angeles by allowing the company to leverage upcoming global events to build excitement for the arrival of air taxis to the region. In conjunction with LASEC, Archer plans to engage with community leaders, elected officials and millions of Southern California residents as it lays the foundation for its [planned air taxi flights](#) ahead of the LA28 Olympic Games.

Archer's partnership with LASEC builds on the company's broader efforts to launch an [air taxi network in Los Angeles](#), connecting key transportation corridors ahead of 2028 and beyond. With vertiports planned across the region and strong partnerships with leading airlines and infrastructure providers, Archer goal is to make air taxis a reality for Los Angeles residents and visitors in the coming years.

In the lead-up to the FIFA World Cup™ in Los Angeles, Archer will support the Host Committee's programs to connect with local communities. Adam Goldstein, Archer's Founder and CEO, will become a member of the ChampionLA Core Leadership Group, and Miles Rogers, Archer's Chief Marketing Officer, will join the LASEC Advisory Board to provide LASEC with additional strategic support.

"Los Angeles is about to host some of the most iconic events in the world and we're honored to join LASEC in support of the mission to ensure those events leave a lasting legacy that benefits the community for decades to come," said **Adam Goldstein, Archer's Founder and CEO**.

“With so many iconic events on the horizon, we’re proud to partner with Archer to highlight the future of urban air mobility and the unique experience it can provide for visitors to Los Angeles,” said **Kathryn Schloessman, President & CEO of LASEC and CEO of the Los Angeles World Cup 2026 Host Committee**. “Archer’s Midnight aircraft presents game-changing technology that can help transform the way people get around Los Angeles while reinforcing the city’s role as a global leader in forward-thinking, transformative experiences.”

Archer’s [Midnight aircraft](#) is designed to replace long, traffic-congested car trips with safe, quiet electric air taxi flights. With the Los Angeles region set to welcome an influx of fans, athletes, and visitors for the FIFA World Cup™ 2026 and Super Bowl LXI, Archer will use this moment to highlight how electric air taxis are poised to transform urban mobility.
